This workshop is designed to stimulate a new inner understanding of self to activate the spirit for those who are seeking more meaning and purpose to their life.

Both subjective and objective criteria are used to develop a new sense of responsibility in your health, reduce stress and form new attitudes.

New Energy Assessment Tools: Kirlian Photography, Numerology, & Drawing. you will be amazed, transformed, and inspired.

Discover your hidden potential, your patterns of thought, your cyclic influence (how time affects you) and how in all things your thoughts affect your energy.
